Sponsored by Discipling Ministries International [DMI]

Please Help meet the Humanitarian Crisis

Discipling ministries International is a mission outreach to the Ukraine. We have existed since 1993. In partnership with our Ukrainian sister organization, Light of Resurrection, we have supported pastors, Orphanages, and have sponsored Medical clinics. 100% of donations received will go to meet the humanitarian crisis unfolding in Ukraine. For more information about DMI, please check out our website: www.disciplingministries.org. DMI is a 501c3 organization. All donations are tax deductible. This is a drive up donation fundraiser and we will accept checks or cash. Cash donations will be deposited and disbursed in a single check from the church to the DMI organization.
